

WAIMARINO ART AWARDS 2018

SPECIFIC CONDITIONS FOR 3D ENTRIES

In conjunction with the 2018WAA General Terms and Conditions at
<https://www.waimarinoartawards.co.nz/terms-and-conditions.html>

Since introducing a 3D section in 2016, we have really enjoyed the extra depth that the 3D category has added to Waimarino Art Awards and indeed, our Premier Award Winner was a 3D entry in 2017. However, we are still limited in space, display hardware & lighting for 3D entries and the extra venue we had hoped to use for this year's awards may not be ready for an exhibition by July. For these reasons the following applies to this category.

1.) OPEN 3D CATEGORY: This is an open category open to all ages for 3D artwork of all techniques including sculpting, carving, moulding, casting, pottery and repurposing and all mediums including, but not limited to, clay, wood, stone, ceramics, glass, metal, & stone, textiles and found materials.

2.) NEW IN 2018 NOVICE/YOUTH 3D CATEGORY: We have a new sponsor this year, enabling us to offer an award category celebrating those who are exploring 3D techniques and are first time 3D exhibitors, or those who are under 19. This is an open category open to all 3D artwork of all techniques including sculpting, carving, moulding, casting, pottery and repurposing and all mediums including, but not limited to, clay, wood, stone, ceramics, glass, metal, & stone, textiles and found materials.

3.) DISPLAY: We only have limited plinths and display boxes and are currently attempting to secure funding for some more display hardware. If you are able and willing to provide your own plinth, support or display box, please indicate this on your entry form so we can plan accordingly

- The work **MUST** be robust enough to endure normal handling by a variety of volunteer staff without specialised equipment. No responsibility will be accepted by the organisers for loss or damage in transit or at any other time.
- Depending on the amount of entries, we reserve the right display the 3D entries in the exhibition room at the Barbed Wire Gallery, Seddon St, Raetihi or the BNZ building, Seddon St, Raetihi, where they will be on display during exhibition opening hours.
- The work must be able **stand alone**, (on the floor on a plinth) **or hang** normally on the display boards, without specialized supports or equipment.

4.) DIMENSIONS: Due to space restrictions, no single work shall exceed the dimensions of 100cm³ excluding display hardware and must be light enough for one person to lift.

5.) EXHIBITION READY: All entries must be ready to display. If work needs a support to free stand, it must be supplied by the entrant, be self-explanatory to set up and not make the work significantly larger than that the dimensions set in Clause 2. Any fixing hardware attached should be taped over to prevent damage to the work or other works during the transit, storage or set up and pack up process.

6.) ARTIST STATEMENT TEMPLATE: Artist statements are optional. If you indicate in your entry form that you wish to complete one to be displayed with your work, it must be completed on an official template which will be emailed to you. Completed statements must be emailed to us by 22nd June 2018. An exact copy of the artist statement must be included with the work when it is submitted. Email waimairnoarts@outlook.com if you haven't received your template.

7.) ABOUT YOUR ARTIST STATEMENT: The statement is to highlight or explain aspects of the work for the viewer. It is optional, must be less than 100 words and your name must not appear in the body of the statement. We recommend typing the words, for clarity, but if you handwrite your label, ensure it is clear and correct as we will display your copy.

6.) PACKAGING: All work, unless being delivered and collected by hand, must be securely packaged, in packaging that can be reused to return the works to the entrant at the end of the exhibition. String is very useful for keeping bundles of packaging together in storage and can be easily reused when repacking the works. Please ensure that outside packaging is clearly labelled with your name and return address and all layers of packaging are named. If you require us to courier work back to you, you must include prepaid courier tickets when submitting your work.

If you are unsure about any aspect, feel free to call Paula on 021 045 7077
